The biennial conference is comprised of all members of the apprenticeship community in the State of California. Attendees will include the California Apprenticeship Council, State Division of Apprenticeship Standards, committee members and training directors of all occupations, school administrators, high school and community college instructors as well as the general public. This will be another great opportunity to develop apprenticeship ideas and network with others interested in apprenticeship.

The event will take place in San Diego, California, at the Hyatt Regency Monterey Resort & Spa. Pre-conference will start on Tuesday, April 24th, 2018, with networking events, exhibitor set up and registration. Conference sessions will begin Wednesday morning, April 25th, 2018, with an opening session, and continue through Thursday, April 26th, 2018. An apprenticeship banquet will be held on Thursday evening. An abbreviated CAC meeting will follow on Friday, April 27th, 2018 at the completion of the conference.

Historically, each Apprenticeship Committee or Sponsor has supported the Conference at a fee of \$1.00 per apprentice to help defray the costs and to assure a successful conference.

Conference fees should be made payable to **California Conference on Apprenticeship**. Please complete and return the lower portion of this letter with your payment by **January 15, 2018**.

Thank you for your support.

Sincerely,

Luis Reyes
